Intel

WFH Ordering Guide

Steelcase

Introduction

Intel's return to work program allows almost all employees to work a hybrid schedule. They have selected Steelcase to be their Global vendor of office furniture for their employee's home.

All products available on this program have been tested and handpicked by Intel's Corporate EHS, Global Supply Chain and the Workplace Strategy Team.

The global landing page can be found at intel.home.steelcase.com

All products are

- Easy to assemble
- Are commercial grade with premium quality, durability and longevity allowing you to focus on getting your work done.
- Meet industry regulations for office use (a higher standard than residential use) and meet and exceed prescribed ergonomic guidelines.
- Have contracted pricing and may be used for WFH program and personal use.

Services. Our People.
The Steelcase warranty
is the strongest warranty
in the industry...that you
may never need!

STEELCASE WARRANTY For Global Products

YOU CAN DEPEND ON US. OUR PRODUCTS. OUR SERVICES. OUR PEOPLE.

Steelcase Inc. ("Steelcase") Global Products Warranty includes Steelcase®, Coalesse®, and Turnstone® brand products. Steelcase manufactures products for use around the world in every region. Products in two or more regions are "Global Products." The regional warranties (the Americas (including the United States, Canada, Mexico, the Caribbean, Central and South America), EMEA (Europe, except UK and Ireland, including Russian Federation, Middle East, Central Asia and Africa), United Kingdom and Ireland, and APAC (Asia Pacific)) continue to apply for any product not included in the Global Products Warranty. Steelcase warrants that Global Products are free from defects in materials and workmanship. This warranty is valid from the date of delivery, regardless of shift usage, to the original End User and is non-transferable. Steelcase will repair or replace with comparable product, at its option and free of charge (for materials and components) any product, part or component which fails under normal use. If repair or replacement is not commercially practicable, Steelcase will provide a refund or credit for the affected product. End User means the final purchaser acquiring a product from Steelcase or a Steelcase Authorized Reseller for the purchaser's own use and not for resale, remarketing or distribution.
